

# Arbor Day Proclamation

- Whereas,** In 1872, J. Sterling Morgan proposed to the Nebraska Board of Agriculture that a special day be set aside for the planting of trees, and
- Whereas,** the holiday, call Arbor Day, was first observed with the planting of more than a million trees in Nebraska, and
- Whereas,** Arbor Day is now observed throughout the nation and the world, and
- Whereas,** trees can reduce the erosion of our precious topsoil by wind and water, lower our heating and cooling cost, moderate the temperature, clean the air, produce oxygen and provide habitat for wildlife, and
- Whereas,** trees are a renewable resource giving us paper, wood for our homes, fuel for our fires and countless other wood products, and
- Whereas,** trees in our city increase property values, enhance the economic vitality of business areas, and beautify our community, and
- Whereas,** trees, wherever they are planted, are a source of joy and spiritual renewal,

**NOW, THEREFORE,** I Nick Jones, Mayor of the City of Rainsville, do hereby proclaim

March 1, 2014 as

## Arbor Day

in the City of Rainsville, and I urge all citizens to celebrate Arbor Day and to support efforts to protect our trees and woodlands, and

**Further,** I urge all citizens to plant and care for trees to gladden the heart and promote the well-being of this and future generations.

**Dated** this 18th day of November in the year 2013.

Mayor
